

Cathedral Keys

Unlocking Peterborough
Cathedral's future together

PETERBOROUGH
CATHEDRAL

Custodians receive this personalised commemorative key.

Keys that connect us

Keys have always been a powerful symbol for Peterborough. St Peter's keys feature prominently in the City's crest and in the Diocesan logo, as well as within the Cathedral building itself.

Keys open doors. They remind us of how our past, present and future are interlocked in this extraordinary place. They symbolise the opportunity to open up and realise our shared ambition to enliven and enlighten all who come to our magnificent Cathedral.

Keys to finding our place

The Cathedral's breath-taking architecture, its music and mission are three enduring connections that bring our community together. Whether drawn to the calm of its Cloisters, its choral tradition or its inclusive ministry and culture, people come here to touch history and find their place in its unfolding story. The Cathedral is key to understanding who we are and what we truly value. Our personal, civic and national identities have been bound up with this remarkable heritage for over a thousand years and now we have an opportunity to shape this legacy for future generations.

Keys to building our future

As we look forward, it seems right to bring the supporter relationships we so much depend on into one dynamic community; a community which holds the key to developing the Cathedral's future. In coming together to breathe new life into our ancient stones, **Cathedral Keys** members will be opening doors for young choristers, fostering community projects, caring for our green spaces and creating a secure and sustainable future for the fabric of the Cathedral itself.

Become a Cathedral Keys member

As a Keyholder, your gift will safeguard the future of all that takes place here, from regular worship to cultural events, as well as special projects that support some of the most vulnerable in our community.

These ambitions are central to the Cathedral's vision and values and if they are to be achieved, they challenge us to raise at least **£160,000** a year from those who personally value the Cathedral. In so doing, we will be able to demonstrate the self-help and philanthropic leadership necessary to attract awards from major grant funders and realise our initial £1.5 million target. Enabling long-term financial stability for Peterborough Cathedral. Touching History campaign launching soon.

Choose the right key for you

You are invited to become a Keyholder to help fulfil this vision and be part of a group of like-minded friends, all of whom share a love of the Cathedral and care deeply about its future.

Please select the Cathedral Key that's right for you, then pledge your support over a rolling, three-year period. Whether as an individual or a company, you will be welcomed to a special annual event for all Keyholders, to celebrate how our gifts are making a fundamental difference to the Cathedral and its work.

Over the centuries, a long tradition of philanthropy has been nurtured here at Peterborough. In choosing your Cathedral Key from the options outlined below, you will be building on that tradition of support. You will be acknowledged with a discrete, bespoke pin badge as well as invitations to special events, and briefings on the Cathedral's future plans.

Keyholder	Monthly Gift	+ Gift Aid Declaration	Annual Gift	# required	Annual Total

* Custodians also receive a personalised Cathedral Key, as shown in the illustration.

Thank you

“Becoming a Peterborough Cathedral Keyholder is all about opening doors. From creating life changing opportunities for young people, to providing a sanctuary of hope and healing for so many, your support is the lifeblood of this very special place. In helping us to establish a solid foundation for future investment in our buildings, music and broader mission, we can approach the next phase of our history with confidence. Thank you for turning a key and unlocking an exciting and sustainable future for this magnificent Cathedral.”
